NOTICE OF PRIVACY PRACTICES

This notice defines Florida Vein Center Privacy Policy. It describes how healthcare information about you may be used and disclosed and how you can get access to this information.

Please review it carefully:

This office uses and discloses your protected healthcare information (PHI) for the following reasons:

- To share with other treating healthcare providers regarding your health care.
- To submit to insurance companies, Workers' Compensation, or other Third Party Administrators claim information to verify treatment has been rendered.
- To determine patient's benefits in a healthcare plan.
- Releasing information required by State of Federal Public Health Law.
- To assist in overcoming a language barrier when caring for a patient.
- Business associates providing written assurances for your privacy have been attained.
- Emergency situations.
- Abuse, neglect, or domestic violence.
- Appointment reminders to household members or answering machines.
- Sign-in logs may be disclosed to verify office visits.
- *Any other uses or disclosures will only be made with your specific written prior authorization.*

You have the right to:

- Revoke authorization, in writing, at any time by specifying what you want restricted and to whom you want it restricted.
- Speak to our privacy office manager, who can be reached at (941) 907-3400 regarding privacy issues.
- Inspect, copy, and amend your protected health information and amend it as allowed by law.
- Obtain an accounting of disclosures of your protected health information.
- To render a complaint to our privacy officer or the Secretary of Health & Human Services.

This office reserves the right to change the terms of this notice and to make new notice provisions for all protected health information that it maintains. Patients may also get an updated copy of our policy, upon request, at any time simply by requesting it from a staff member.

I acknowledge that I have received and reviewed this notice with full understanding.

NOTICE OF ULTRASOUND LABORATORIES

Federico Richter, MD has a vascular ultrasound lab located at Florida Vein Center. We are required by law to inform you there is other vascular ultrasound testing labs, such as: *Manatee Diagnostic Center (300 Riverside Dr. E, Bradenton, FL 34208) & Manatee Memorial Hospital (206 2nd St. E, Bradenton, FL 34208).*

However, these centers' tests are not as complete as the ones performed by Florida Vein Center' Registered Vascular Technologist. Vital information can be left out which is needed for an accurate evaluation for your plan of care.

Medicare, or any other insurance company will only pay for services deemed to be "reasonable and necessary" under section 1862(a)(1) of Medicare law. Medicare or any other insurance company will deny payment for services that are considered cosmetic procedures. Cosmetic procedures performed at Florida Vein Center are not considered to be medically necessary by your insurance company. They consider these services to be strictly cosmetic. As a provider of these services, we are informing you these will not be filed with your insurance. Only services that are medically necessary will be billed to your insurance company.
